Death of the Hon. B. Namakeha.

It is our painful duty to announce the death of the Honorable Bennett Namakeha, who expired at his residence in Pauca Valley on the morning of the 27th inst. of dropsy. The deceased was the son of Kamauna, deseended from the ancient Kings of the northern districts of Hawaii, and of Kukaeleiki, a Chieftainess of high rank from the island of Kauai, and he was a brother of the late Honorable George Naes, and therefore an uncle of Her Majesty the Queen. At the time of his death he was about sixty-two years of age. For a long number of years he had been a member of the House of Nobles and of the Privy Council of State, and for a considerable time he acted as Governor of the island of Maui. The funeral was to have taken place yesterday afternoon, and the coffin deposited in the Royal Cemetery, but on account of the weather being very unpropitious the ceremony was deferred till to-

COMMERCIAL.

FRIDAY, DECEMBER 28, 1860. We have to note another very dull week in business. The rainy weather has doubtless had an effect upon the retail trade, but there is but very little money in circulation; the whalers are nearly all gone, and prospects are fair for a quiet month to

EXCHANGE.-Whalers bills, nom. par, very few drafts in the market. Private bills on San Francisco, 1 &c prem; on East, 11/@3 ₽c prem.
